Welcome Back Spring

We hope everyone had a great spring break and Easter weekend at home with your families. This month we have started exploring all things spring. We talk about how the rain helps turn our neighbourhood green again! How it helps all of our flowers and birds. In addition How animals prepare to welcome their new babies.

Important dates to note

- April 2nd-International Childrens book day
- April 5th- Graduation photo's
- April 12th- Western Day
- April 22nd -Earth Day

Sunshine just around the corner!

With the warmer day's just around the corner the teachers would like to remind the families to double check if the sunscreen we have at the school for your child is still good. A lot of them expired and will need to be replaced.

Thank you!

Earth Day Love

We are excited to learn about our beautiful Earth and what roles we play in keeping it healthy and clean! Some ways you can explore and teach your children about our beautiful planet and keeping it happy are:

- Planting flowers, plants or a garden!
- Nature walks
- Garbage and recycling pick up
- Crafts/art made with recycled items
